

Connect-A-Port

Connect-A-Port

The Connect-A-Port personal water craft drive-on allows for easy docking of your jetski or other PWC. The port is designed to slow your PWC as you drive on as well as provide a soft rest for the keel. The keel guide can be adjusted to best fit your craft. Launching is just as easy! Hop on, roll off, and be on your way!

Connect-A-Port

138" x 58" x 15" (350.52 cm x 147.32 cm x 38.1 cm)
