2000 Series Accessories

Bench

This bench with optional armrests comfortably seats two people and easily attaches to your dock, consuming minimal space. **Self-Wicking Planter**

This granite-colored flower pot attaches to your dock with the included pole connector. Add color and character to your dock with your own flowers and plants.

Swim Ladder

Having a little trouble getting back on to your dock after a refreshing swim? The Connect-A-Dock swim ladder is the perfect solution. Its hinged design lets you lift the ladder out of the water for easy cleaning and storage.

Guardrails

Very useful for people who don't want to fall in the water. Aluminum guardrails are easy to assemble and can be configured to your liking.
